

Dear (Business or Sponsor),

I am writing today to help inspire your interest in being a sponsor of the 2011- 2012 Stetson Hills Stealth Baseball Club 10U.

Competitive youth baseball helps promote healthier lifestyles by involving kids in energy expending activities. It develops a sense of teamwork and teaches players the need to excel as individuals but rely upon the capable assistance of others. It gives valuable lessons in fair competition and it provides a forum and venue for parent-youth interaction on a regular basis. It rewards excellence and does not criticize failure. It encourages participation in our National pastime that exemplifies sound life-skills.

A competitive baseball program gives the players an opportunity and arena to build upon the skills they have learned in Little League and helps them advance to the next level of competition and understanding of the game. By focusing on specific skill development, training, and each player's individual habits and techniques, we can give them the attention and time to prepare for the next level of play.

While our goal is development we also never lose sight of why we play the game; to have fun, make friends, and teach our children how to grow physically and mentally and with responsibility, effort, and sportsmanship.

The Stealth needs your help and support in funding equipment, uniforms, fields, batting cage facilities, and tournament play. Your support in these areas ensures player involvement stays high by keeping the cost of participation at a manageable level. Team Intensity DBA: Stetson Hills Stealth is a 501(c)(3) non-profit organization and all donations are tax deduct-able.

Sincerely,

Tim Folvarsky, Manager
